

## Lilliput Lane Nursery

The Little Nursery for Little Learners

### Bereavement

#### Legislation

- The Parental Bereavement Leave and Pay Act 2018

At **Lilliput Lane Nursery** we recognise that children and their families may experience grief and loss of close family members or friends or their family pets whilst with us in the nursery. We understand that this is not only a difficult time for families but it may also be a confusing time for young children, especially if they have little or no understanding of why their parents are upset and why this person/pet is no longer around.

We aim to support both the child and their family and will adapt the following procedure to suit their individual needs and family preferences:

- We ask that if there is a loss of a family member or close friend that the parents inform the nursery as soon as they feel able to. This will enable us to support both the child and the family wherever we can and helps us to understand any potential changes in behaviour of a child who may be grieving themselves
- The key worker and/or the manager will talk with the family to ascertain what support is needed or wanted from the nursery. This may be an informal discussion or a meeting away from the child to help calm a potentially upsetting situation
- The child may need extra support or one-to-one care during this difficult time. We will adapt our staffing arrangements so the child is fully supported by the most appropriate member of staff on duty, where possible the child's key worker
- We will be flexible as possible to adapt the sessions the child and family may need during this time.

We will adapt the above procedure as appropriate when a family pet dies to help the child to understand their loss and support their emotions through this time.

We also recognise that there may also be rare occasions when the nursery team is affected by a death of a child or member of staff. This will be a difficult time for the staff team, children and families. Below are some agencies that may be able to offer further support and counselling if this occurs.

**Stillbirth and Neonatal Death (SANDS):** [www.sands.org.uk](http://www.sands.org.uk)

### Death of a Child

If an employee has a death of a child under the age of 18 or suffers a stillbirth from 24 weeks of pregnancy, all employees will be entitled to two weeks paid leave; subject to meeting the eligibility criteria having been employed for at least 26 weeks.

Support will be given, including making reasonable adjustments on the return to work and further ongoing support will be provided.

We recognise that children and their families may have experienced grief and loss of close family members, or friends, during the Covid-19 pandemic. We understand that this is not only a difficult time for families, but it may also be a confusing time for young children, especially if they have little or no understanding of why their parents are upset and why this person is no longer around.

We will aim to meet with each family virtually prior to coming back to the setting, to discuss any bereavements that may have happened during the lockdown period and work with them to support the child the best we can.

We will also signpost to other agencies should further support be required.
